- 2. Secret Lovers- <https://www.youtube.com/watch?v=Ud7eKyPFW3s>
- 3. Good Riddance-

Song 1

- Part Time Lovers reminds me of Ethan Frome because it relates to Ethan and Mattie's relationship through the book about having to be secret about it.
- "knowing its so wrong but feeling so right' is what Ethan feels throughout the story.
- By Stevie Wonder

Song 2

- I think that Secret lovers also describes Matties and Ethans relationship.
- 'We both know that we should not be together'. Mattie and Ethan both know
- that its wrong to be together yet their feelings make them think otherwise.
- Atlantic Star

Song 3

- I think that Good Riddance would be like a song Ethan would dedicate to
- Mattie because he knows their relationship isn't right and he wants to keep
- the memories. "But in the end its right, I hope you have the time of your
- life"
- By Green Day

Enders Game Songs

- 1. Stronger- <https://www.youtube.com/watch?v=Xn676-fLq7I>
- 2. Why Doesnt Anybody Like Me- <https://www.youtube.com/watch?v=dczeYlvs0Y8>
- 3. SOS-

Song 1

- I think Stronger describes his journey through battle school. "What doesn't
- kill you makes you stronger' describes all this little fight with other
- students and battles in battle school. He comes back stronger after each
- and every thing he does.
- By Kelly Clarkson

Song 2

- This song describes the way Ender feels throughout the book.
- He wonders why no one likes him and why he's always picked on. He
- figures it's because he's a third and all the teachers believe in him more
- and pick on him as well.
- By No Use For A Name

Song 3

- This song describes how Ender is feeling through out the whole book.
- "is anybody listening" Ender feels like no one is listening to what he has
- to say and is pushing to do the things he doesnt want to do. He just wants
- someone to listen to him and help him.
- By Good Charlotte
